Mount Rushmore Resort and Lodge at Palmer Gulch

Long history of serving guests

The Mount Rushmore Resort at Palmer Gulch has a rich history.

In 1925, a mining engineer had a vision for developing a country club in the Black Hills. He and other investors purchased land along Palmer Creek, just five miles west of Mount Rushmore.

Over the years, through several ownership changes, cabins were built and golf, horseback riding, picnicking and touring the Black Hills became popular activities. In 1962, new owners returned the golf course to its natural state of valleys and meadows and focused on travelers looking for a dude ranching experience.

Our current owners took over in 1972 with the vision to further develop The Mount Rushmore Resort at Palmer Gulch into a destination full of great camping sites, camping cabins and other quality lodging options. It became affiliated with KOA in 1978.

Great food choices at **MOUNT RUSHMORE RESORT**

YOU WON'T GO HUNGRY AT PALMER GULCH!

**There are several places
to enjoy a full meal or
grab a tasty snack when
you are on the go.**

THE PEAK GRILL AND TAP ROOM AT PALMER GULCH

The Peak Grill and Tap Room is just a few steps from The Lodge and serves lunch and dinner daily. The Peak Grill features dining in a rustic log building with a slate fireplace. Dine in our 1920s Lodge Room, or view Black Elk Peak from our Sun Room.

PROSPECTOR'S TENT

The Prospector's Tent is a breakfast tradition at Palmer Gulch. From Memorial Day to Labor Day, enjoy all-you-can-eat, made-to-order pancakes, including butter and syrup. Also choose from other breakfast entrees, juices, milk, coffee, bacon and sausage, all priced separately. Watch for special dinner nights at the Prospector's Tent throughout the summer.

CHUCK WAGON DINNER

Enjoy an authentic horse-drawn, covered-wagon ride or choose a trail ride into the Black Hills National Forest to a traditional chuck wagon camp in a remote meadow under a big South Dakota sky. You'll be treated to delicious Dakota-grown beef steaks grilled over an aspen-wood campfire with Dutch-oven side dishes. While you eat, you'll take in the beautiful scenery and live cowboy entertainment.

CHUCK WAGON BREAKFAST RIDE

Join us for a special early morning breakfast cookout. Participants will load up on an authentic horse-drawn covered wagon at 8 a.m. for a ride into the beautiful national forest, arriving at our chuck wagon camp nestled in a remote mountain meadow just in time to watch Dutch-oven cooks prepare a hearty breakfast over a wood fire. The menu consists of our delicious Bronc Buster hash — bacon and beef, chopped potatoes, onions, peppers and secret seasonings browned and cooked to perfection over the fire in a cast-iron pot. The breakfast ride returns at 9:30 a.m. and is only offered 13 times a summer. **For more information, please visit ridesouthdakota.com or call 605-574-3412.**

GRAPES & GRINDS

Why not start your day with a latte, espresso or specialty coffee brewed fresh from locally roasted coffee beans? Drop in for a glass of local or specialty wine or for an indulgent treat, like our designer fudge, delicious local bagels or wine slushies. Live music on the patio on select nights throughout the summer. **See the weekly activities schedule for dates and times.**

TAP ROOM

Adjacent to the Peak Grill restaurant, the Tap Room offers a variety of domestic and import beers along with an excellent selection of wines. Specialty drinks or your favorite cocktails are available in our cozy pub or on the outdoor deck.

TURTLE TOWN

You'll find more than ice cream and other tasty treats at this restaurant. Turtle Town's quick service restaurant menu includes gourmet pizzas, wraps and the best fried chicken and buffalo wings in the Black Hills. Come in for custom ice cream creations, hand-scooped ice cream cones, malts shakes, sundaes, blizzards and homemade chocolates.

WELCOME TO LIL' BUDDY'S FUN ZONE

THE LEGEND OF LIL' BUDDY lives on!

The youngest of the five men who staked a mining claim to sift the sands of Palmer Creek for precious flakes of gold 150 years ago was a massive man with a barrel chest, long muscular arms, a hairy face and a twinkle in his eye. No one knew his real name. They just called him Lil' Buddy.

Buddy never seemed to get tired. And he loved to entertain others on the long nights with stories, songs and homespun poetry.

When the first sightseers came to the area, Lil' Buddy knew he had found his true calling. He could show folks the best sites to see. He served up coffee and cowboy humor. Anywhere a guest

had a need, there was Lil' Buddy. He told his new friends from around the country, "I love this place and I ain't never leavin' it."

No one knows for sure if he ever did leave.

Sometimes campers will swear they can see the twinkle of an eye just beyond the campfire's light and maybe hear a rough voice chuckling after a funny yarn. Perhaps you'll hear that same voice when the wind rustles through the pines, calling out "Get to the Gulch."

You can tip your hat to the carving of Lil' Buddy outside the KOA Office and General Store and know that his spirit surrounds all who visit this place he loves.

CAMPING 101

Here are some tips and info to make your camping experience fun and relaxing!

- **Have a flashlight handy for late night trips to the comfort station.** Your kids' happy dance is not the time to search for batteries.
- **We are in a forest with wild animals.** We are not responsible for the poor sanitation decisions of the wildlife.
- **Rain happens.** Prepare for items left outside to get wet, tents without a rain fly to flood and puddles to form in the campsite. The sun will soon come out and dry everything up, but a wet tent is only good for those who brought a water bed.
- **Follow posted speed limits of 10 mph.** Kids don't pay attention while having fun.
- **Do not put trash in fire pits or leave trash out at night.** We have critters that don't adhere to our quiet hours and don't mind making a mess.
- **Turn off breakers on power panels before plugging in your RV.**
- **Kids can get lost.** Take a picture of them at the beginning of each day to help our staff identify them by what they are wearing. Please notify staff right away if you have a missing child, so we may assist you.
- **High wind gusts happen quickly here.** Put away awnings and portable food/shade tents or anything damageable by wind whenever you leave your camp site.
- **Rental golf carts must not leave the property.** You must be 18 years old to rent.

If you have any questions or concerns about your camp site or cabin, please let us know right away so we have a chance to make your stay great!

Know who to contact after hours in case of an emergency or late-night disruption. After Hours: (605) 574-3424 (phones are located at the comfort stations).

CAMPING ETIQUETTE

- Be a good neighbor and refrain from playing loud music and/or using undesirable language. We are a family-friendly park with lots of kids. Quiet hours are from 10 p.m. to 7 a.m.
- While walking or riding a bike, please stay on the roads and paths. Guest sites are not designated roadways.
- Clean up after your pets and always keep them on a leash. Finding a lost dog here is worse than trying to find Waldo.
- Barking dogs are like an alarm clock you can't turn off. Please refrain from leaving them behind. Your neighbor's nap schedule may depend on it.
- Avoid parking or placing anything in another guest's site, even if there doesn't appear to be anyone camping there.
- Please help us out and pick up your litter. Our guests appreciate the cleanliness of our campground. We're proud of it.
